Colonial Seal Company Receives ISO 9001 Certification for Excellence in Distribution

Westville, NJ - [Colonial Seal Company](http://www.colonialseal.com), the New Jersey based specialty distributor of [standard](#) and [custom sealing solutions](#) has been awarded the ISO 9001:2008 certification in recognition of its standardized best practices in distribution of sealing solutions to the industrial and automotive industries. The certification comes as Colonial Seal looks to leverage its domestic and global supply chain to further its strategic business objectives and provide superior quality sealing solutions to its customers. Shannon Dolan, Operations Manager, stated, "We have been diligently working towards finalizing the ISO certification since the end of Q4 2009. We are delighted to achieve certification, as this reinforces our credentials as an industry leader in the field." "We are proud to join a select group of global organizations that have established ISO 9001 as the preferred quality standard", continued Ms. Dolan.

President of Colonial Seal Company, Stephen Maloney, added "we have taken a holistic approach in achieving ISO certification. We have involved our employees and select customers, and challenged every operational aspect of the company. We had many procedures in-place for years prior to the audit, so this certification validates those procedures," continued Mr. Maloney.
